

How's Your Preflight Planning?

Dick Ferno is a retired Burlington Air Traffic Controller, CFI, and FAA Safety Team Lead Rep. He will discuss flight planning (both VFR and IFR), which will include a review of sectional charts, IFR low altitude charts, AFD, approach charts, airport diagrams, and airspace. Don't miss this exclusive event. Click on the link below and register TODAY.

Directions: I -89 to Exit 12. At the 3rd traffic light turn left. Once again go to the 3rd traffic light and bear left past Pete's RV. Go 1/8 mile and turn right. Go to the end of road and bear left to the yellow bldg.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
